**Phone:** (86)21-61759000

**Address:** 15th floor, Pudong Development Bank Mansion, 588 South Pudong Rd., Pudong New Area, Shanghai.

Grand China Shipping Development Co. Ltd was established in August 2009, with registered capital of 300 million RMB from GCL and Grand China Logistics Co. Ltd, to operate and manage internal shipping capacity of the group. We have 27 employees, 19% of whom returned from other countries.

Currently, our total asset is 866 million RMB and total revenue is 567 million RMB.

Our business covers: international bulk cargo routes; domestic common freighter transport on coast, in middle-lower reaches of Yangtze River and in Pearl River; technology consulting in the shipping realm. We focus on domestic and international trade, development of bulk cargo fleet and general cargo fleet simultaneously. Due to our comprehensive services, we became the main platform for bulk cargo and general cargo business of the group.

Our bulk cargo business reaches everywhere around the world, with long-term experience in Australia, Latin America and Indonesia. We have our own fleet, abundant experience and excellent capability of controlling and executing shipping tasks globally, and good relationship with many large consignors. Via bareboat charter & time charter, our shipping capacity maintains at around 30 ships all year round, including Cpaesize, Pnamax, Supramax and Handysize. Every model has long-term COA and cargo support, which enables us to fulfill balance between ships and cargo.

We are planning to build a 150-bulk-general-cargo fleet (including 50 self-owned ships), with some complementary time-chartered ships, to cover the global market, enabling most of our fleet to resist market fluctuation. Another plan is making our bulk-general-cargo business go public in 3 years to become a global leading company of its kind.

the GC group. In some cases, such as in the charter-party undertaken between IP and Shanghai GCSDCL a parental guarantee may be provided by GCL. However this is not always the case and some owners report the mention of another group related entity HNA Group providing such security.

We understand from our sources in China that the latter is the financial backer for the GC group. The HNA Group is a large Chinese conglomerate involved in various activities and industries including the aviation industry (through its subsidiary Hainan Airlines), real estate, tourism, retail and logistics. It is understood from our market sources in China that the HNA Group is not involved in the day-to-day running of the shipping activities of the GC group but rather acts as a financial backer providing the capital enabling the GC group to function.

We are also aware from our sources in China and from the shipping press that the GCL group maintains an interest in two shipyards in China, namely Zhejiang Jinhai Heavy Industry Co and Titan Quanzhou Shipyard.<sup>2</sup>

Dear Valued Customers,

Today with regret we are announcing that we will temporarily suspend our SPX service due to unfavorable market conditions. This process will be managed very carefully to ensure an orderly transition which is least disruptive to your supply chain moves.

This is a decision that has been made with sound considerations. The rising bunker costs as well as the weakening economic conditions lead us to believe that we are facing more challenges than any quick and sustainable trade recovery.

Despite the deteriorating market volumes in the Pacific trade over the past months, we have endeavored to run our existing service without interruption, however, with no end in sight to the rate and volume pressures in this trade we have made this difficult decision to suspend the service temporarily. We want to reiterate that we will make every effort to ensure your supply chain is not interrupted.

Here below are the critical dates and information related to our final Eastbound and Westbound voyages:

**Eastbound from China to the U.S. West Coast:**

Our final sailing from China to the U.S. West Coast will be the Cape Madrid voyage 1107E, departing Yantian on November 5th, Xiamen on November 7th, Ningbo on November 9th and Shanghai on November 10th, 2011. All cargo booked and loaded for this vessel will be delivered to the final destination in North America without disruption.

All empty containers not used for above vessel Cape Madrid voyage 1107E should be returned to our container depots in Yantian, Xiamen, Ningbo and Shanghai. Please contact the respective Grand China Shipping (Yantai) Co. Ltd (GCS) offices at these 4 locations.

**Westbound from the U.S. West Coast to China:**

Our final sailing will be Cape Madrid voyage 1107W, sailing Long Beach on November 25th, arriving Xiamen on December 11th, Ningbo on December 13th and Shanghai on December 14th, 2011. The vessel is expected to sail on schedule and cargo will be delivered in China without interruption.

With the temporary suspension of our Trans Pacific service, we will be focusing on our core trade lanes such as the China / Japan and Southeast Asia trades as well as our domestic markets. Our company remains financially sound and we continue to provide reliable services in all these markets.

In case of any questions, please contact your respective GCS account representative. Thank you for the support you have granted Grand China Shipping (Yantai) Co. Ltd and we look forward to continuing to serve you in the Japan, Southeast Asia as well as the domestic markets.

Sincerely,

Li Xialong

General Manager,

Grand China Shipping (Yantai) Co. Ltd

**ATTORNEY'S AFFIDAVIT THAT  
DEFENDANT CANNOT BE FOUND

This affidavit is executed by George A. Gaitas, counsel for the Plaintiff, IRON PASHA INC.,  
in order to secure the issuance of a Summons and Process of Maritime Attachment and Garnishment  
in the above-captioned Admiralty Cause.

Pursuant to 28 U.S.C. §1746, George A. Gaitas, declares under the penalty of perjury:

I am a Member of the firm of CHALOS & CO, P.C., attorneys for Plaintiff in the above  
referenced matter.

1 I am familiar with the circumstances of the Verified Complaint, and I submit this declaration in  
2 support of Plaintiff's request for the issuance of Process of Maritime Attachment and Garnishment of  
3 the property of the Defendants, SHANGHAI GRAND CHINA SHIPPING DEVELOPMENT CO.  
4 LTD; HONG KONG CHAIN GLORY SHIPPING CO., LTD; GRAND CHINA LOGISTICS

7 Maritime Claims of the Federal Rules of Civil Procedure.

8  
9 I have personally inquired or have directed inquiries into the presence of the Defendants in this  
10 District.

11 I have directed attorneys in my firm to check with the office of the Arizona Secretary of State,  
12 using the Secretary of State's database, and have determined that, as of November 18, 2011, the  
13 Defendant is not incorporated pursuant to the laws of Arizona, and has not nominated any agent for  
14 the service of process within the State.

15 I have directed attorneys in my firm to engage a search of the Superpages telephone directory  
16 on the internet, and determined that there are no telephone listings or addresses for the Defendant  
17 within this District.

18  
19 I have directed attorneys in my firm to engage in a Google search as to whether the Defendant  
20 can be located within this District. The Google search results did not provide any information that  
21 Defendant is found in this District.

22 I am unaware of any general or managing agent(s) within this District for the Defendant.

23 In that I have been able to determine that the Defendant has not appointed an agent for service  
24 of process within the state of Arizona and that I have found no indication that the Defendant can be  
25 found within this District for the purposes of Rule B, I have formed a good faith belief based on the  
26 investigation of the attorneys under my direction that the Defendant does not have sufficient contacts  
27 or business activities within this District and does not have any offices or agents within this District to  
28

1 defeat maritime attachment under Rule B of the Supplemental Rules for Admiralty and Maritime  
2 Claims as set forth in the Federal Rules of Civil Procedure.

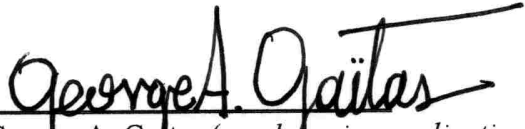

3 It is my belief, based upon an investigation performed by attorneys in my firm under my  
4 direction, that the Defendant cannot be found within this District for the purposes of Rule B of the  
5 Supplemental Rules of Certain Admiralty and Maritime Claims of the Federal Rules of Civil  
6 Procedure.
